Dear General Morales:

This is to request an opinion clarifying §§ 54.503 and 54.5089 of the Texas Education Code to determine whether group hospital and medical service fees charged by Texas universities can be waived by their boards of regents for active duty military personnel.

Enclosed is a copy of the letter I received from Lt. General Eugene Habiger of the U.S. Air Force regarding this issue.

I would appreciate your cooperation and assistance with this matter.

May God bless you.

Very truly yours,

Judith Zaffirini
